THE PRIME MINISTER

I am very pleased to hear about the support that this year's Dream Ball is providing to Big Change.

Big Change makes a positive difference to the lives of many young people, providing them with the support and opportunities they need to go as far as their talents will take them.

I would encourage everyone to support this important cause, so it can continue to transform lives across the country and inspire more young people to achieve great things.

I hope this year's Dream Ball is a great success.
